The New Westminster Horticultural Society

WELCOME TO NEW WESTMINSTER'S GARDENING CLUB

If you are interested in gardening and horticulture, this is the club for you!

Whether you are a novice or master gardener, the New Westminster Horticultural Society offers a friendly, social atmosphere for members to enhance and share their knowledge and expertise.

Activities include monthly meetings (except January), the Spring Plant Sale, the Annual Picnic, a Christmas Dinner and several social outings selected to expose members to unique gardening experiences.

Meetings are highlighted by invited speakers or special themes. One month is reserved for the club's ever popular Silent Auction; December for the year end social and awards night.

The member-to-member sharing of gardening ideas is emphasized at the "Bring-to-Share" portions of the April and September Meetings. Our In-Club Show is the highlight of the June meeting. If members desire, the Queensborough Urban Farmers Fall Fair in September is another venue for judged competition.

Tea and goodies, contributed by club members, are shared at every meeting. Also, each evening features a raffle with garden-related prizes.

The Society financially supports college and university horticulture students through the B.C. Council of Garden Clubs scholarship and bursary programs. Through our Donations Committee, we give aid to horticultural projects throughout New Westminster.

Join the club at any one of our meetings. We meet the second Tuesday of the month at the Centennial Lodge in Queens Park, just below the picnic site. Fees are \$2.00 drop-in for a single evening or just \$10.00 for a year's membership.

The club's mailing address is Suite #392, 104-1015 Columbia St. New Westminster, B.C., V3M 6V3.

MEETINGS: INFORMAL,
INFORMATIVE AND FUN!

Whether it is time spent with a gardening friend, a prize from the raffle or gardening tips and ideas, you will always leave with some treasure—and of course, the monthly newsletter.
