

2015 European Chafer Management Biological Control (Nematode)

In an effort to assist New Westminster home owners with the European Chafer grub management the City is providing a 50% discount on the purchase of the Biological control (Nematodes) to a **maximum purchase of 2 packages per home owner** (one package covers 750 square feet and the total cost of each package is \$69.99 plus Taxes, before subsidy).

PROCESS

1. Pick up subsidy coupons and chafer management information at the Parks and Recreation main office (600 Eighth Street) between Monday, June 15th and Friday, June 19th from 8:30 am to 4:30 pm or Century House (620 Eighth Street) from 4:30 to 8:30 pm.

**** Picture ID and proof of residency must be presented at time of coupon pick up.**

2. Drop-in or call either of the two listed Garden Works Stores to order your Nematodes by Friday, July 3rd:

Mandeville Garden Centre
4746 South East Marine Drive, Burnaby
604-434-4111 (press 6 for garden supplies)

Garden Works Lougheed
6250 Lougheed Hwy, Burnaby
604-299-9622 (ask for garden supplies)

3. Garden Centers will contact customers when Nematodes are available for pick up.
4. Customers to pickup Nematodes at which time they must present their coupon(s) and pay 50% of the cost plus taxes for their order.

A limited number of coupons are available for this subsidy program.

Nematodes are a living biological control species that need to be refrigerated and applied as soon as possible upon receipt. Instructions will be included in your Nematode package.

For more information call 604-527-4567 (coupons **CAN NOT** be reserved by phone).
